## PLOT SUMMARY

**Would you have the courage to leave your life behind and disappear without a trace to be with the one you love?**

Eva Thompson believes she has it all - a lucrative career, everlasting love, and a bright future ahead of her. But that all changes when fate steps in to correct her mistakes. Piece by piece, her life crumbles. Desperate to escape the overwhelming heartache, turmoil, and utter failure weighing her down, Eva impulsively travels to the majestic Whitsunday Islands off the coast of Australia to heal her heart. While mingling amongst the tourists scattered throughout the Hamilton Island shops, a handsome gentleman, who is also traveling alone, befriends her. Within days, she becomes naively entangled in his dark criminal world. An unbreakable bond develops between them. Aware of the dangers lurking in the shadows, he vows to protect her from harm at all costs. Trusting him with her life, knowing there is no turning back, he is compelled to share his true identity. Forced to abandon their very existence, the two embark on an epic journey and disappear without a trace.

## ABOUT THE AUTHOR

Intentionally leading a quiet life, E.A.Stark prefers to spend most of her days writing when she is not juggling the lives of her three older children and their little Italian Greyhound. Weaving memories of years past into her stories, she offers readers a glimpse into a unique world of experiences - some of which she treasures, while others she would rather soon forget.

In the past eleven years, E.A.Stark has written a whole host of stories and now finds herself ready to share them. The first book released was *ESCAPING WHITSUNDAY*. It is an action / adventure, romance filled with travel and a mix of emotions. It was published on December 15, 2021. In February 2022, watch for her spiritual/paranormal romance story *THE MEANING BEHIND THE MIST* to be released, with more to follow.
